

Dear Hiring Manager,

I am excited to apply for the C# Developer position. With almost 5 years of experience in C#, ASP.NET Core, Web API, Entity Framework, and SQL Server, I have developed and maintained scalable, high-performance applications across various domains.

In my current role, I design and build secure REST APIs, optimize database performance, and collaborate with cross-functional teams to deliver quality software solutions. My strong understanding of object-oriented programming, clean coding practices, and problem-solving skills makes me confident in contributing effectively to your team.

I would welcome the opportunity to discuss how my skills and experience align with your requirements. Thank you for your time and consideration.

Sincerely,

Praveen Kumar
